

Certification Letter for Bridgelux Product

Jan. 20, 2014

Dear Customer:

This letter is to certify that BXCE, BXFE and BXCD series are Bridgelux high power LED chips products. Bridgelux is a high power LED chip supplier based upon California, USA. We design, manufacture and distribute high power blue LED chips with US technologies and Asia manufacturing. All our high power LED products are designed in our US R&D center, manufactured in Taiwan foundry and originated from Bridgelux Logistic Center at USA or HK Logistic center.

If you have any question regarding this, please feel free to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "Andy Man".
